**Pressure Treated Lumber**

**Composite Decking**

**Competitive PVC Decking**

Performance Category	Fiberon Horizon Decking	Pressure Treated Lumber	Traditional Composite Decking	Competitive PVC Decking
Stain Resistance	Exceptional Stain Resistance	Not stain Resistant	Not Stain Resistant	Stain Resistant
Fade Resistance	Exceptional Fade Resistance	Not Fade Resistant	Somewhat Fade Resistant	Somewhat Fade Resistant
10 Year Stain and Fade Warranty	Yes	No	No	No
Eliminates Need for Staining or Painting	Yes	No	Yes	Yes
Organic Free Surfaces	Yes	No	No	Low or No Organics
Easy to Clean Surfaces	Yes	No	Somewhat	Yes
Mold Resistance	Yes (No Surface Organics)	No	Minimal Mold Resistance	Somewhat Mold Resistant
Scratch Resistance	Yes	No	Somewhat Scratch Resistant	Somewhat Scratch Resistant
Ultra Low Maintenance	Yes	No	No	Low Maintenance
Permatech Protective Surface	Yes	No	No	No

Fiberon Horizon decking with patent-pending PermaTech Innovation is the game changer in composite decking. Fiberon's groundbreaking technology provides the most resilient surface material available for the ultimate in stain, fade and mold resistance. We back up our claims with the composite decking industry's only 10-Year Stain and Fade Warranty. Also backed by a 20-Year Performance Warranty, Horizon resists splinters, termites and decay.
